Career objective

To secure a challenging position as a Full-Stack Developer in a dynamic organization, where I can apply my skills in Java, React, Next.js, Node.js, MySQL, and TailwindCSS, while contributing to innovative projects and continually advancing my professional growth.

Experience

Currently seeking first hands-on industry experience.

Have built basic technical skills through personal projects, college studies, and self-learning.

Education

Bachelors of Computer Science (B.Sc.CS)

Pillai College of Arts, Commerce and Science(PCACS), Panvel
2023 – Present (3rd Year)

12th (PCMB+IT)

DSP Junior College, Kamothe
2021-2023

Professional/Additional certificates

- Organizing Committee Member - Mathematics & Statistics Association (MSA)
- MIS Team Head (2025-Present) in MSA (PCACS, Panvel)
 - Managed member data and event registrations.
 - Created and updated reports using Google Sheets and Excel.
 - Collected attendance and feedback for workshops and events.
 - Keep records organized for future use.
- Completed 30 Hours of Social Activity as part of college requirement (2025)
 - Volunteered with Robin Hood Army and Tech Mahindra Foundation NGO
 - Conducted educational sessions and awareness surveys in slum areas
 - Engaged in teaching basic subjects to children and participated in data collection and reporting
